Tennis Option - Town of Micro

We propose the following:

Scope of Work: Expand to fit two pickleball courts and apply new surface.

- Mobilization – one mobilization included.
- Demo the existing fence on Railroad street side from the gate to the corner to make room for the court expansion. All other fence repair or replacement is by others.
- Excavated soil removed for the expansion will be spread in holes in the park grounds.
- Expand concrete 6' at the Railroad Street end of the court and install a new 10' high fence around the addition. Install one 48" x 7' gate w/transom.
- Clean & fill the cracks in the existing concrete with crack filler and install a fiberglass mat over the cracks. 1-year warranty one cracks returning.
- Apply 2 coats of Acrylic resurfacer.
- Apply 2 coats of Acrylic Color playing surface in the customer's choice of two standard colors.
- Paint white lines for 2 Pickleball courts.
- Provide & install 2 portable pickleball net systems w/ 2 -7/8" Black Post.

Notes:

- The customer will spray weed killer on the weeds on the court and at the fence lines prior to our arrival. This should be done 3-4 weeks before we mobilize.
- The owner agrees to provide clean water and 120v power within 200' of the work site. Generator rental or water tank requires an additional charge.
- Work is scheduled on a first come, first served basis. Written authorization is required before scheduling.
- Per manufacturers' specs, the Acrylic surface cannot be applied when the temperature is below 50 deg. F overnight or when rain is expected within 24 hours of application.

All material is guaranteed to be as specified, and all the above will be in accordance with the owner's specifications. All work will be performed in a substantial workman like manner. Any alteration or deviation from the specifications above involving extra costs will be executed only upon written orders and will become an extra charge over and above the estimate. All elements of this agreement are contingent upon strikes, accidents, or delays beyond our control. The estimate does not include material price increases, or additional labor and materials that may be required should unforeseen problems arise after the work has started. The owner of the property is responsible for carrying fire, tornado, flood, and other necessary insurance. Our workers are fully covered by Workman's Compensation Insurance.
