The above stated person has agreed to come and participate as a vendor at the 301 Endless Yard Sale and reserve a space in the parking lot of the Town of Micro Public Works Building, located at 450 US 301. **NOTE: This reservation will be for Saturday - June 21, 2025 ONLY!!!!** This space will **NOT be available on Friday - June 20, 2025** as the town is open for business as usual.

Vendors will be provided a single parking space in the parking lot and will need to provide their own tables, tents, and chairs. The 301 Endless Yard Sale is NOT a Town of Micro event and we only have a handful of spaces that will be available for rent. Each vendor is on their own and can choose when they want to begin, but suggested vendor hours are 7:00 a.m. until 5:00 p.m. Vendors need to ensure that all spaces are left clean.

There is a \$30 fee to reserve a space. PLEASE KEEP IN MIND SPACE IS VERY LIMITED and spaces will be offered on a first come first served basis. All vendor forms and payment must be dropped off at the Town of Micro no later than Friday June 13, 2025. Checks are to be made out to Town of Micro. *Note: If all spaces have been reserved when you drop off your application, we can hold your application and contact you if someone decides not to participate.*

Someone from the town will call and/or email you to confirm your reserved spot.

**As a safety reminder, please make sure your vehicle is safely parked off of the road, as US Highway 301 will remain open throughout the entire 2-day sale. Therefore, please obey all traffic laws. WATCH FOR PEDESTRIANS and WATCH FOR OTHER VEHICLES.**
